

We're excited to announce that we were able to coordinate new dates for the musical with the Surfflight Theatre, the director and the school. Performances will be on Saturday, March 26th.

Please see the rehearsal schedule below. Since there will only be one week of full rehearsals with the director, we will be holding "read-throughs" on Fridays afters school to make sure all lines are memorized going into the week of rehearsals.

If your child is unable to participate due to the revised schedule please let us know ASAP.

We appreciate your flexibility as we work through the revised schedule and may adjust call times as needed. All rehearsals and read-throughs are held in the school gym. One snack will be provided, please send a water bottle in with your child.

If your child is signed up to help with crafts/props or back stage, more info/schedule will follow.

As always, if you have any questions, please don't hesitate to email beachhavenPTA@gmail.com. Thank you!
